

# 20<sup>TH</sup> MEETING OF THE INTERNATIONAL CENTER FOR EARTH SCIENCES

## FIRST CIRCULAR

We invite the Scientific and Academic Community and the General Public to participate in the 20th MEETING OF THE INTERNATIONAL CENTER FOR EARTH SCIENCES (E-ICES 20) to be held on-site and virtually from October 7<sup>th</sup> to 10<sup>th</sup>, 2025 at the CONVENTION CENTER AND EXHIBITIONS "THESAURUS" located in MALARGÜE city, MENDOZA, ARGENTINA.

The objectives of the E-ICES Meetings are to disseminate and discuss current work in the broad spectrum of Earth Sciences, also applicable to problems related to human beings, the environment and society; as well as to strengthen working relationships between the participating research groups seeking to promote future projects.

The Meeting will address the following thematic areas:

- **Resources and Geophysical Prospecting and Geochemistry**
- **Environmental and Territorial Risk**
- **Environmental Anthropology**
- **Environment and Climate**
- **Bio-Geotechnologies**
- **Social and Human Studies of Science and Technology**
- **Geo-technological Resources in Earth Science**

Presentations will be in ORAL or POSTER form, as well as the modalities of ON-SITE or VIRTUAL participation may be chosen

Each participant is allowed to be speaker of a maximum of to 2 (two) papers and present a maximum of (two) nominations as first author. There is no limit on participation as co-authors and non-exhibitors.

The Meeting will also include plenary conferences, workshops and the **"YOUNG RESEARCHERS COMPETITION", which will be carried out in ON-SITE modality only.**

**For each presentation, the exhibitor author must attach the abstract of the paper to the registration form, which is mandatory,** following the requested guidelines, mandatory for approval, which will be published in the next circular together with the registration links. **Non-exhibitor authors must register** but should not upload the abstract of the paper.

**REGISTRATION** will consist of three categories: **ORAL EXHIBITIONS, POSTER EXHIBITIONS** and **ATTENDANTS** (non-exhibitors) and the **ON-SITE or VIRTUAL** modality must be specified.

For the virtual modality there will be SPACE for a maximum of 35 oral presentations and 80 posters. On-site posters may also be presented in the virtual room. There is no limit of places for the on-site modality. The form and modality of presentation will be specified in the certificates of the Meeting.

## 20<sup>TH</sup> MEETING OF THE INTERNATIONAL CENTER FOR EARTH SCIENCES

The conditions for participation will soon be available on the E-ICES 20 website:

<https://www.uncuyo.edu.ar/ices/e-ices-20>

The VIRTUAL POSTER modality corresponds to the placement of the poster on a virtual poster site on the Internet but does not include participation in real time. In the virtual room it will also be possible to present a video (maximum three minutes long) explaining the poster. Details will be provided in future circulars.

The deadline for submission of abstracts will be August 20<sup>th</sup>, 2025.

Those who participate only as ASSISTANTS may register up to 24 hours before the beginning of the Meeting.

Participation in all modalities is **FREE**, but **REGISTRATION is MANDATORY** for participation in the Meeting.

**ORGANIZING COMMITTEE**
